WORK WITH CX

HOW TO WORK WITH CX NETWORK TO PROMOTE YOUR BUSINESS

Advertising opportunities are available in all our printed and digital products, on a casual or contracted basis. Businesses that enter into a 12-month contract to advertise across any or all platforms enjoy additional benefits including

- access to editorial creation services
- preferential placement of press releases and news stories
- access to our 'How To' product tutorials and 'Road Test' professional product reviews

12 MONTH ADVERTISING CONTRACTS – OUR 'UNIT BUNDLE' SYSTEM FOR CROSS-PLATFORM AND DEMAND-BASED FLEXIBILITY!

Contracted advertisers have the option to enter into one of our 'Unit Bundle' contracts. Put simply, we create a custom package for your business that bills you a fixed amount per month in exchange for a set amount amount of advertising that can be used at any time over the 12-month period.

For example, your business may choose to run a full page ad about a new product in CX Magazine one month, do nothing for the next two months, then run editorial and ads in every edition of CX News and on the web the month after to promote a sale or event. This system provides flexibility and guaranteed exposure without the obligation to produce artwork and ads every month regardless of business activity.

Contact jason@vcscreative.com or on +61 (0) 407 735 920 to discuss tailoring a package that suits your business needs, advertising style, and editorial content.
